

# NEW PARAKEEP

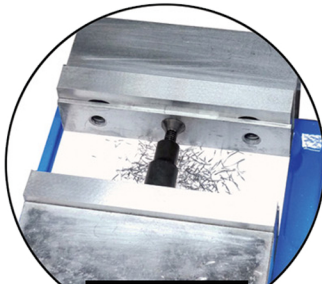

**EFFICIENTLY SWAP MATERIAL SIZES AND  
REDUCE SPINDLE DOWNTIME WITH  
THE SPRING LOADED PARALLEL  
KEEPER**

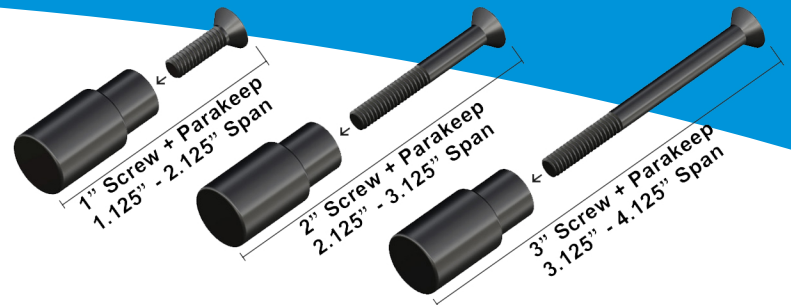

**Eliminate chip build-up within  
vise set-ups and prevent spindle  
stoppage to clean**

**GO FROM THIS**

**TO THIS**

The Patented Parallel Keeper - ParaKeep 5S Kit comes standard with the ParaKeep and 3" 2" and 1" Screw. In addition, we added a 1.5" and .75" stainless steel spring for the few jobs the Parakeep won't fit.
